Par isse bhi badi afsos ki baat ye hai ki, ye insaan khud ek Jewish hai...

Par aakhir ham aaj suddenly iss misanthropist yaani ki maanavdrohi ki baat kyun kar rhe hai? To iske pichhe ka kaaran ye hai -

Darasal George Soros ka India ko lekar aur specially Modi government ko lekar hate to jagjaahir tha - <https://youtu.be/dC0kWNnJenI?si=FZIP7N4W29fOxgal>

Wo aksar aise hi anti India bayanbaaji bade stage se karte aa rhe the, lekin India ko destabilise karne aur yahan sarkar giraane ko lekar haal hi me jo report nikal kar saamne aai hai, usne pure bharat ko hila kar rakh diya.

America me Trump sarkar ke aane ke baad yah information nikal kar saamne aai hai ki USAID ne

Bharat ko destabilize karne ke liye pure 5000 crore rupye sanction kiye the.

[Aur isme bhi usne George soros ke organisations ko total 260 million dollar yaani ki 26 crore dollar mile the, jiska istemal Soros ne Bharat, Bangladesh samet kai deshon me asthirta failane me kiya.](#)

Aur isko lekar hi Bhartiye Janta party ke Sansad Nishikant dubey ne Ameriki organisation USAID dwara bharat ko vibhajit karne ke liye different organisations ko paise diye jaane ke mamle ko jaanch karne ki baat uthaai.

Par sawal yahan yeh aata hai, ki aakhir ye USAID kya hai ?

Aakhir isne kaise George Soros ki madad ki ?

Aur aakhir Bharat par kaise alag alag tarikon se lagatar dabao banane ka prayas kiya gaya ?

Aaiye jaante hai, aaj ke is video mein, saath hi jante hai ki kaise isne Bangladesh me bhi takhtapalat ko anjaam diya...

What is USAID ?

USAID yaani ki The United States Agency for International Development.

Waise to iss organisation ka kaam bahut hi jyada bhalai wala hai. Official information ki maane to yah organisation america ke dwaara alag alag desho ko humanitarian aur development ground par assistance dene ke liye banai gyi thi.

Aasan bhasha me kahe to agar koi desh musibat me ho to, waha ke logon ke liye fund ki vyavastha karaana.

Ya aur bhi aasan bhasha me kahe to samaj seva karna.

Ab bhai, America shuruat se hi gareeb desho ka maseeha raha hai.

Chahe wo Vietnam ho, Syria ho, Somalia ho ya fir Afghanistan ho...

Ab sab behad achhe se jaante hai, America ke bhalai ke baad ye desh aaj kitni development kar rhe hain...

Darasal USAID jaisi organisation ko America ne duniya ko yah kahkar represent to kiya tha ki ye jrutmand deshon ke help ke liye kaam karegi, par iske pichhe America ka khufiya plan kuchh alag hi tha...

Aur wo Plan tha, iski madad se alag alag deshon ke politics ko influence karna aur wahan apni puppet sarkaar banana...

Sunne mein ye thoda shocking ho skta hai, but ye baat khud US State department ke former official Mike Benz ne reveal kari thi.

Yaani ki haal me Bangladesh me jo takhtapalat hua, jiski shuruat student protest ke naam par hui thi, uske pichhe pura ka puraa shadayantra ameriki organisation USAID ka hi tha...

Aur thik aisa hi Shadayantra USAID ne George Soros ke sath milkar India ke liye bhi plan kar rakha tha...

Kyunki America ye bilkul bhi nahin chah rha tha, ki ek Pro India Government, jo nation first ki policy par kaam karti hai, aur kisi ke talve chatne ke liye kabhi bhi taiyar nahin hoti hai,

Aur isliye unhone Narendra modi ko harane ke liye aedi choti ka dam lgaa diya tha....

Halanki, wo aisa karne me successful hote hote rah gaye....

USAID Game Plan for Throwing Modi from power...

USAID aur Soros dono ki hi bharat me indirect presence ko taala nahin jaa sakta hai, bharat me aise kai NGOs hai jo USAID se aarthik sahayta prapt karte hai. Aur fir saamajik kaary ke aad me ye apna rajnitik agenda chalte hain.

Aur isi agenda ke roop me kai baar in NGOs ne modi sarkar ke policies ko environment aur human rights ka hawala dekar oppose kiya hai.

[For example, Intelligence bureau ki report ki maane to saal 2014 me USAID aur foreign funded agencies ne bharat ke vikash pariyojnaaon jaise ki koyala khanan, industrial development, atomic energy ko baadhit karne ki koshish ki thi](#) aur isme Greenpeace India naam ke NGO ka naam saamne bhi aya tha.

IB report to PMO: Greenpeace is a threat to national economic security

The IB report claims Greenpeace's "funding of research bodies" is a "massive effort" that has not attained high visibility so far.

The allegations are part of the IB's report, dated June 3, submitted to the Prime Minister's Office.

An Intelligence Bureau report on foreign-funded NGOs "negatively impacting economic development" in India has called Greenpeace "a threat to national economic security", citing activities ranging from protests against nuclear and coal plants and funding of "sympathetic" research, to allegedly helping out an Aam Aadmi Party candidate in the recent Lok Sabha elections.

Aur in saare anti development activities ka sidha impact bharat ki GDP par padne wala tha.

Iske baad USAID ne bharat ke andar hone waale protests ko badhawa dene me bhi kafi interested rahi.

For example Bharat me hue Farmer protest ko koi kaise bhoor sakta hai, aur CAA NRC protest to ka wo drishya to aaj bhi apko yaad hoga.

Darasal in saare hi protests me kai videshi NGOs ki sanlipti paayi gyi thi, jisme wo Social media ke through sarkar virodhi Narrative set karne ki koshish me lage the.

For example -

CAA ke waqt par jab Delhi me violence hua to Indian Press ke Magazine "The Caravan" ne iska jimmedar sidhe taur par PM Modi ko bataa diya.

Wahi kai saare NGOs aur news agencies ne CAA protest par bhi Narendra modi ke khilaaf ek narrative set karne ki koshish ki. Taaki kisi bhi tarah logon ke beech Modi image ko tarnish kiya jaa sake.

Wahi George Soros jo ki Open society foundation ke founder hai aur ek kattar modi virodhi hai, unhone bhi baar baar Bharat ke pradhanmantri ka Adani group ke sath connection establish karne ki koshish me lage rahe.

Aur ye tak kah daala ki bharat mein satta parivartan ki jrurat hai.

Wahi iske paralle me Soros ne apne Open Society foundation ke antargat kai NGOs ko funding provide ki, taaki wo bharat ke andar desh virodhi aur sarkar virodhi narratives chala sake. Aur isme bharat ke ek famous neta ka naam sabke saamne aaya....

Rahul Gandhi ...

Darasal OCCRP naam ki ek Journalism agency hai, jo Organised Crime aur Corruption ko report karti hai. Aur isko fund karne waale organisation me Open Society Foundation bhi aata hai.

Aur bharat jodo yaatra ke waqt par Rahul Gandhi, Salil Shetty ke saath tie up karte hue najar aaye the, and Guess what Salil Shetty OSF yaani ki Open Society Foundation ke vice president hai.

Upar se Rahul Gandhi ne kai bar Modi sarkar ko badnaam karne ke liye OCCRP ka report media ko show kiya hai...jo ki is taraf ishaara karta hai ki Congress bhi George Soros ke saath milkar Modi sarkar aur Bharat ko todne me juti thi...

George Soros aur USAID ka Bharat me apratyaksh hastiakshhep kewal ek sanyog nahi, balki ek sochi-samjhi rananeeti ka hissa prateet hota hai. Videshi agencies aur NGOs ke madhyam se Bharat ke aantarik maamlon me dakhal dene ki ye ghatnaayein yah darsati hain ki kuch takatein Bharat me asthirta paida kar loktantrik roop se chuni gayi sarkar ko prabhavit karne ki koshish kar rahi hain. Aise me yah aavashyak hai ki desh ki janta satark rahe aur baahari hastiakshhep se bachne ke liye sashakt hokar apne rashtrahit ko sarvopri rakhe.
